After a long journey, sometimes from across the globe, we believe there are two very simple but important requirements So upon arrival we welcome everyone to our mountain with our house aperitif and a tasty Tuscan snack, and of course the incredible view!

The image shows an outdoor evening event. In the foreground, several glass lanterns with warm lights inside are suspended from above by thin strings. The background features a crowd of people, some in formal attire, gathered in a dimly lit area. The sky is a deep blue, suggesting dusk or twilight. The overall atmosphere is romantic and elegant.

18:30 - Huge Tuscan Grill

All your loved ones along one long table, the smell of beautiful organic meats from our neighbor Fabrizio wafting across the valley. A delicious supper with handmade sausages, game and an array of scrumptious grilled vegetables. Watch the sunset behind the hills and dink Limoncello by candlelight

Long lunch in the orchard

Italians believe that food is the connector between people, and the heart of a home is its kitchen. So what better way to celebrate such a special day than with the best ingredients and the best people. A long leisurely lunch under the shade of our fruit trees is the perfect way to begin the celebrations

18:00 - 19:30

Ceremony at our largest ruin "Le Ruota"

La Rota was in the past an inn on the pilgrim route to La Verna, now only the walls still remain. As the sun sets in the valley behind, the stones scattered with candles. Then From the Fiat Panda Prosecco bar everyone toasts the new Mr & Mrs with a delicious glass of bubbles

A romantic scene at night featuring a couple dancing. The woman is wearing a long, white, lace dress with long sleeves, and the man is in a brown suit with a white shirt and a dark tie. They are holding hands and looking at each other. The background is dark with some lights, and a stone building is visible on the right. The overall mood is intimate and elegant.

19:30 - 01:00
Apericena & Pool Party

What better place to dance the night away than under the stars next to our glorious infinity pool. We serve an “Apericena” style dinner – a very trendy Italian buffet full of delicious bites. Alongside this, the DJ and the Negroni bar provide a sparkling party!
